## EDUCATION

### *University of Colorado*

BA: Advertising (Creative)  
Minors: Technology, Arts,  
and Media, Humanities

## EXPERIENCE

### *University of Colorado Honors Journal*

#### **Graphic Designer**

(Aug 2016 – May 2018)

Created cohesive branded content to advertise student-run interdisciplinary journal. Perfected editorial design and managed branding and art direction for the publication.

### *The GrowHaus*

#### **Digital Design Intern**

(May 2017 – Sept 2017)

Overhauled visual identity for non-profit, creating content across a variety of audiences including community members and donors.

### *Cast Iron Design*

#### **Intern**

(May 2017 – Sept 2017)

Serviced green graphic design studio in content creation, ideation, and copywriting for both old and new clients.

### *Radio 1190*

#### **Specialty Show DJ**

(August 2017 – May 2018)

Created a weekly themed radio show focusing on such harrowing topics as astrology. Curated playlists and wrote relevant talk breaks.

## My Words of Wisdom

“cannot WAIT for my first official office job so I can tell my fire joke in which I call myself a massive “slacker” but I really mean a user of the hit coworking chat software, slack”
